# Workshop materials

## OPTION 1

[bit.ly/shiny-rmed18](https://bit.ly/shiny-rmed18)

log in and sit tight

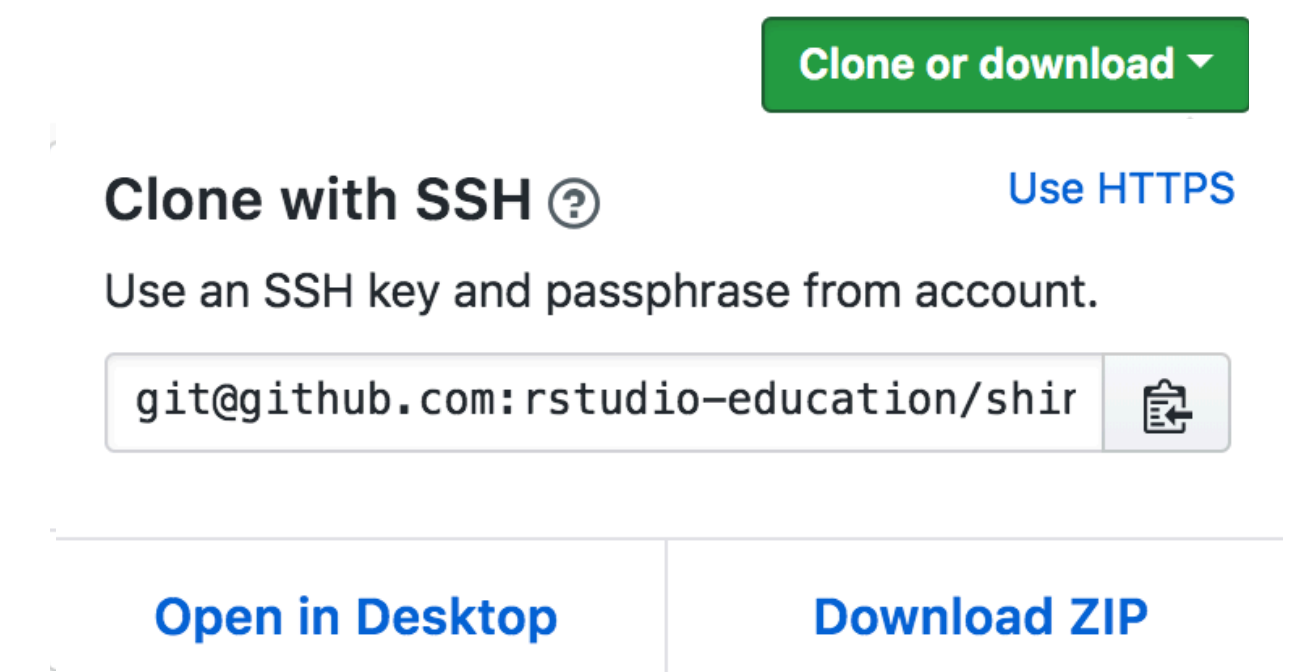

## OPTION 2

[bit.ly/shiny-rmed18-git](https://bit.ly/shiny-rmed18-git)

1. clone or download

2. launch shiny-jsm18.Rproj

# Meet & greet

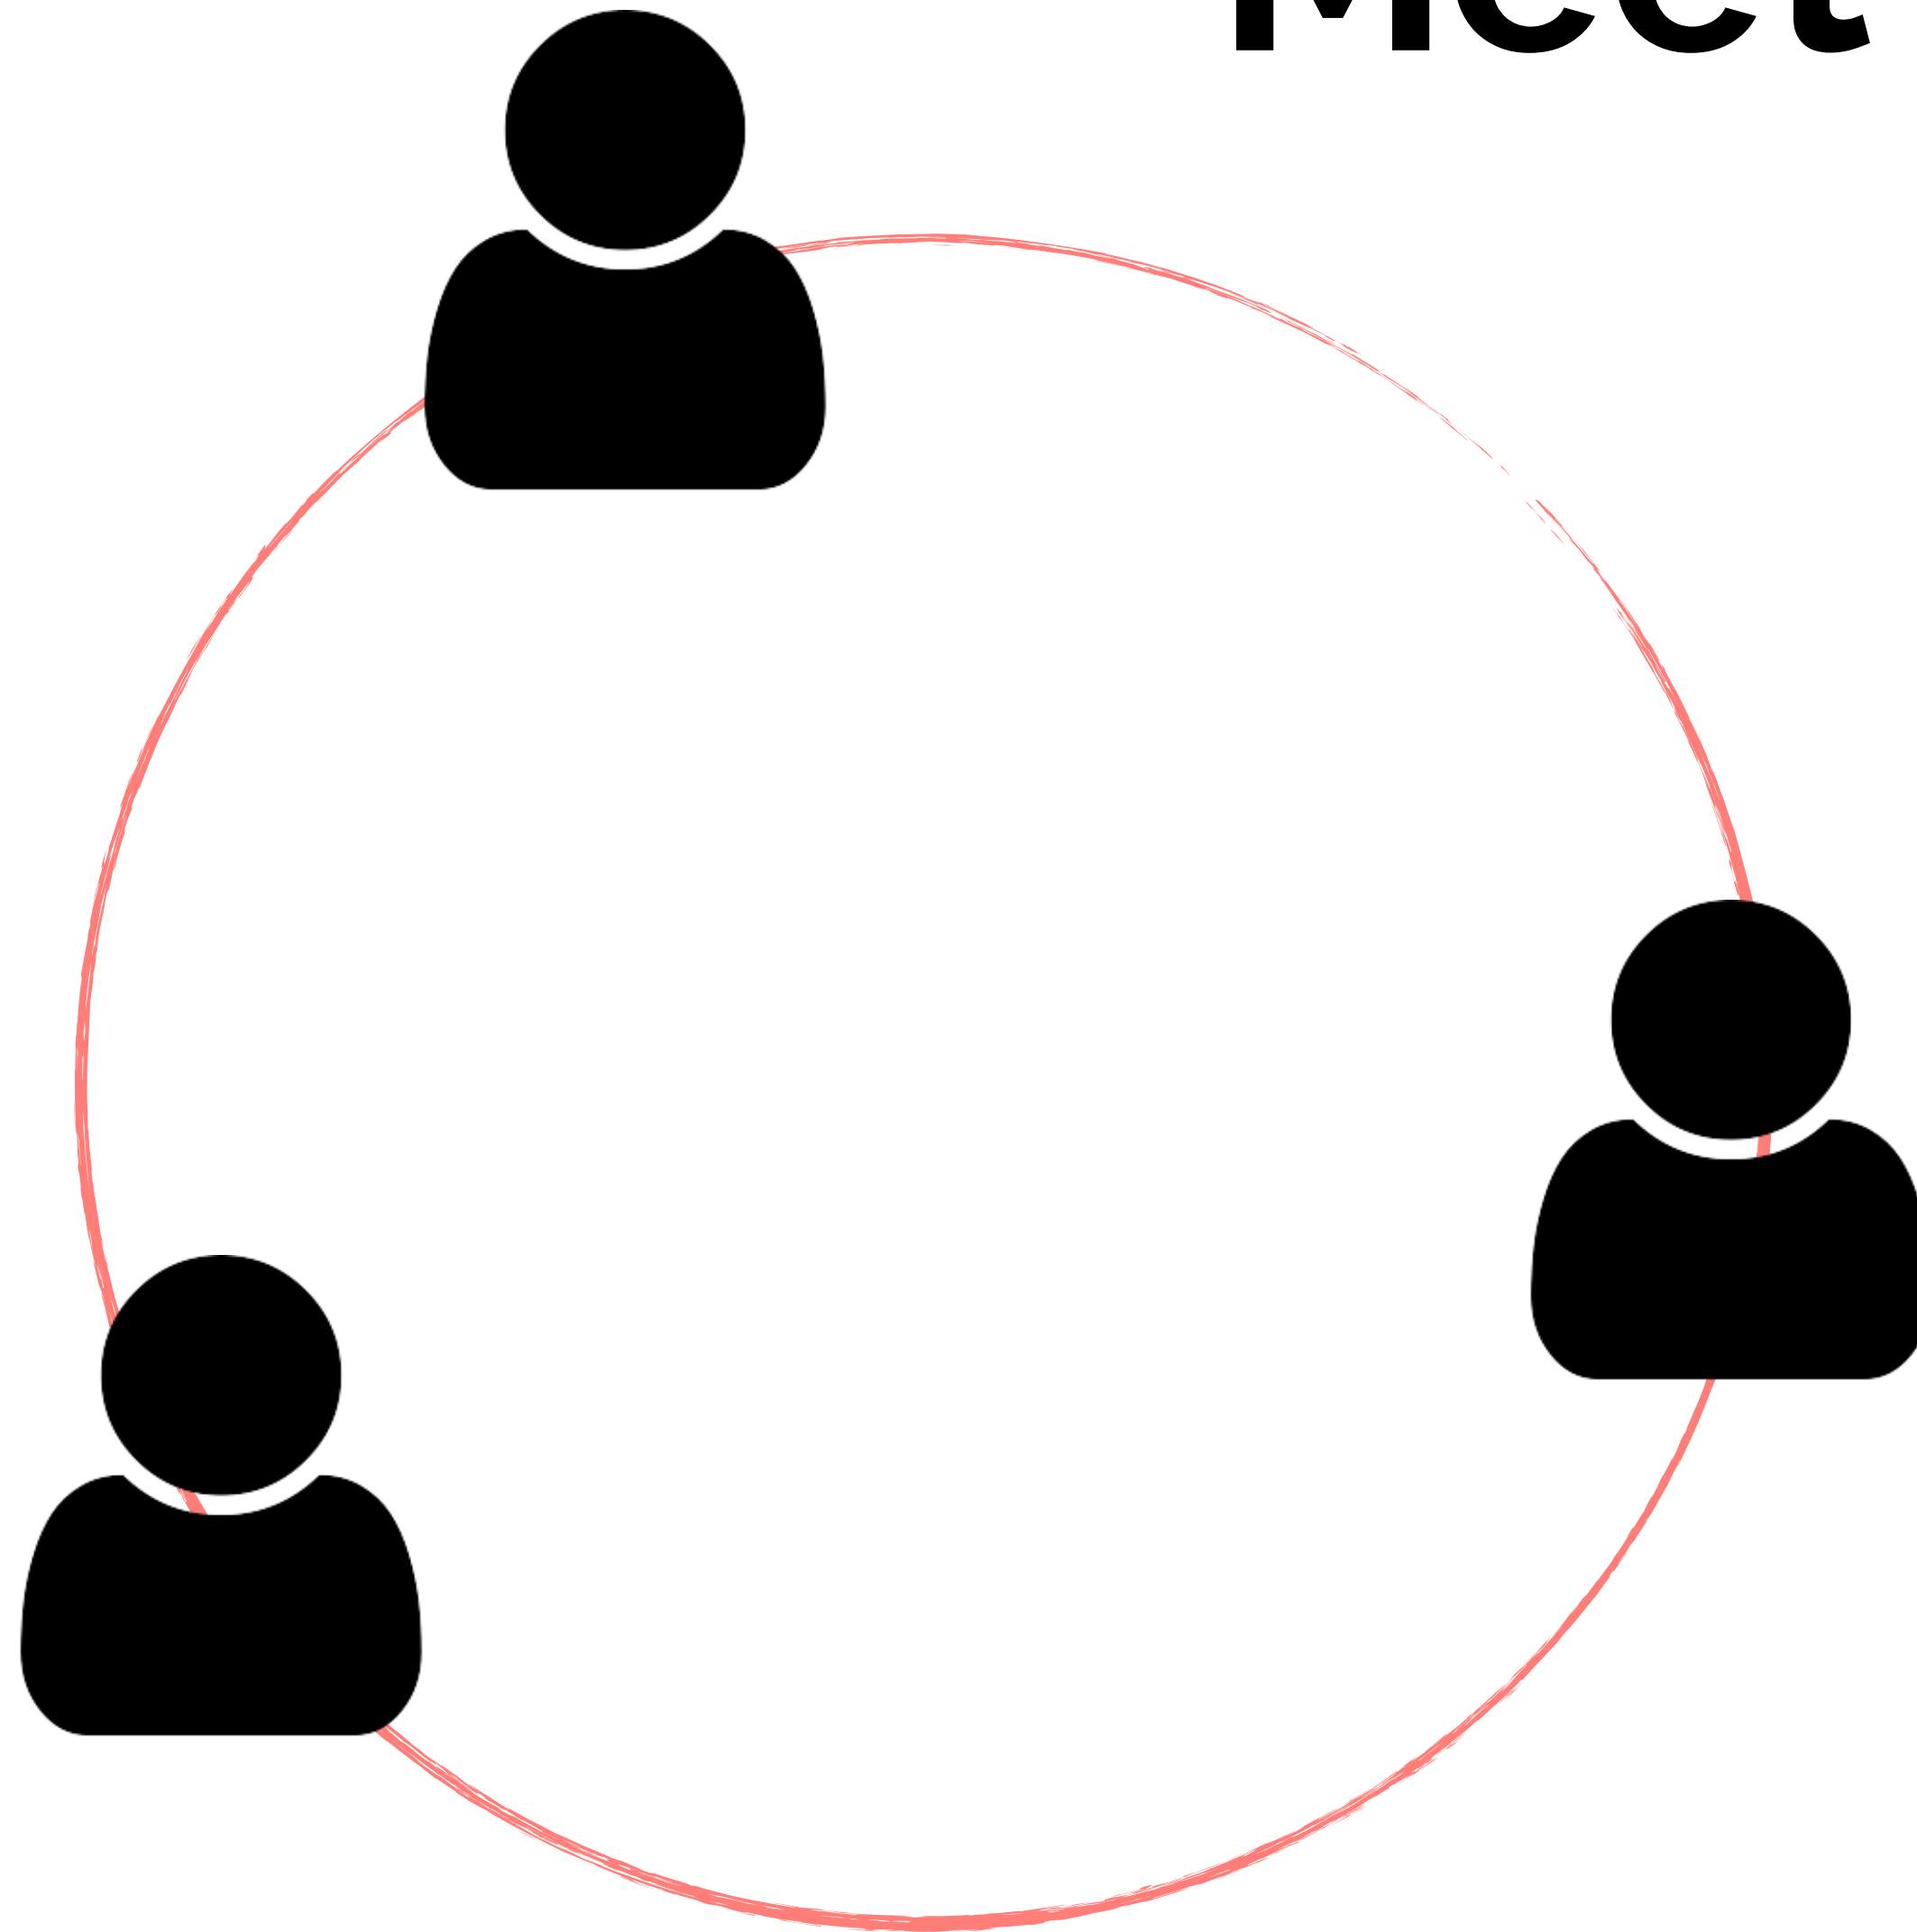

Mine Çetinkaya-Rundel

Associate Professor, Duke Statistical Science

Data Scientist & Professional Educator, RStudio

# Meet & greet

# Asking for help

# Overview

- 01 - Building dashboards with flexdashboard
- 02 - Getting started with shiny
- 03 - Understanding reactivity
- Lots of info!
- Lots of “your turn” breaks

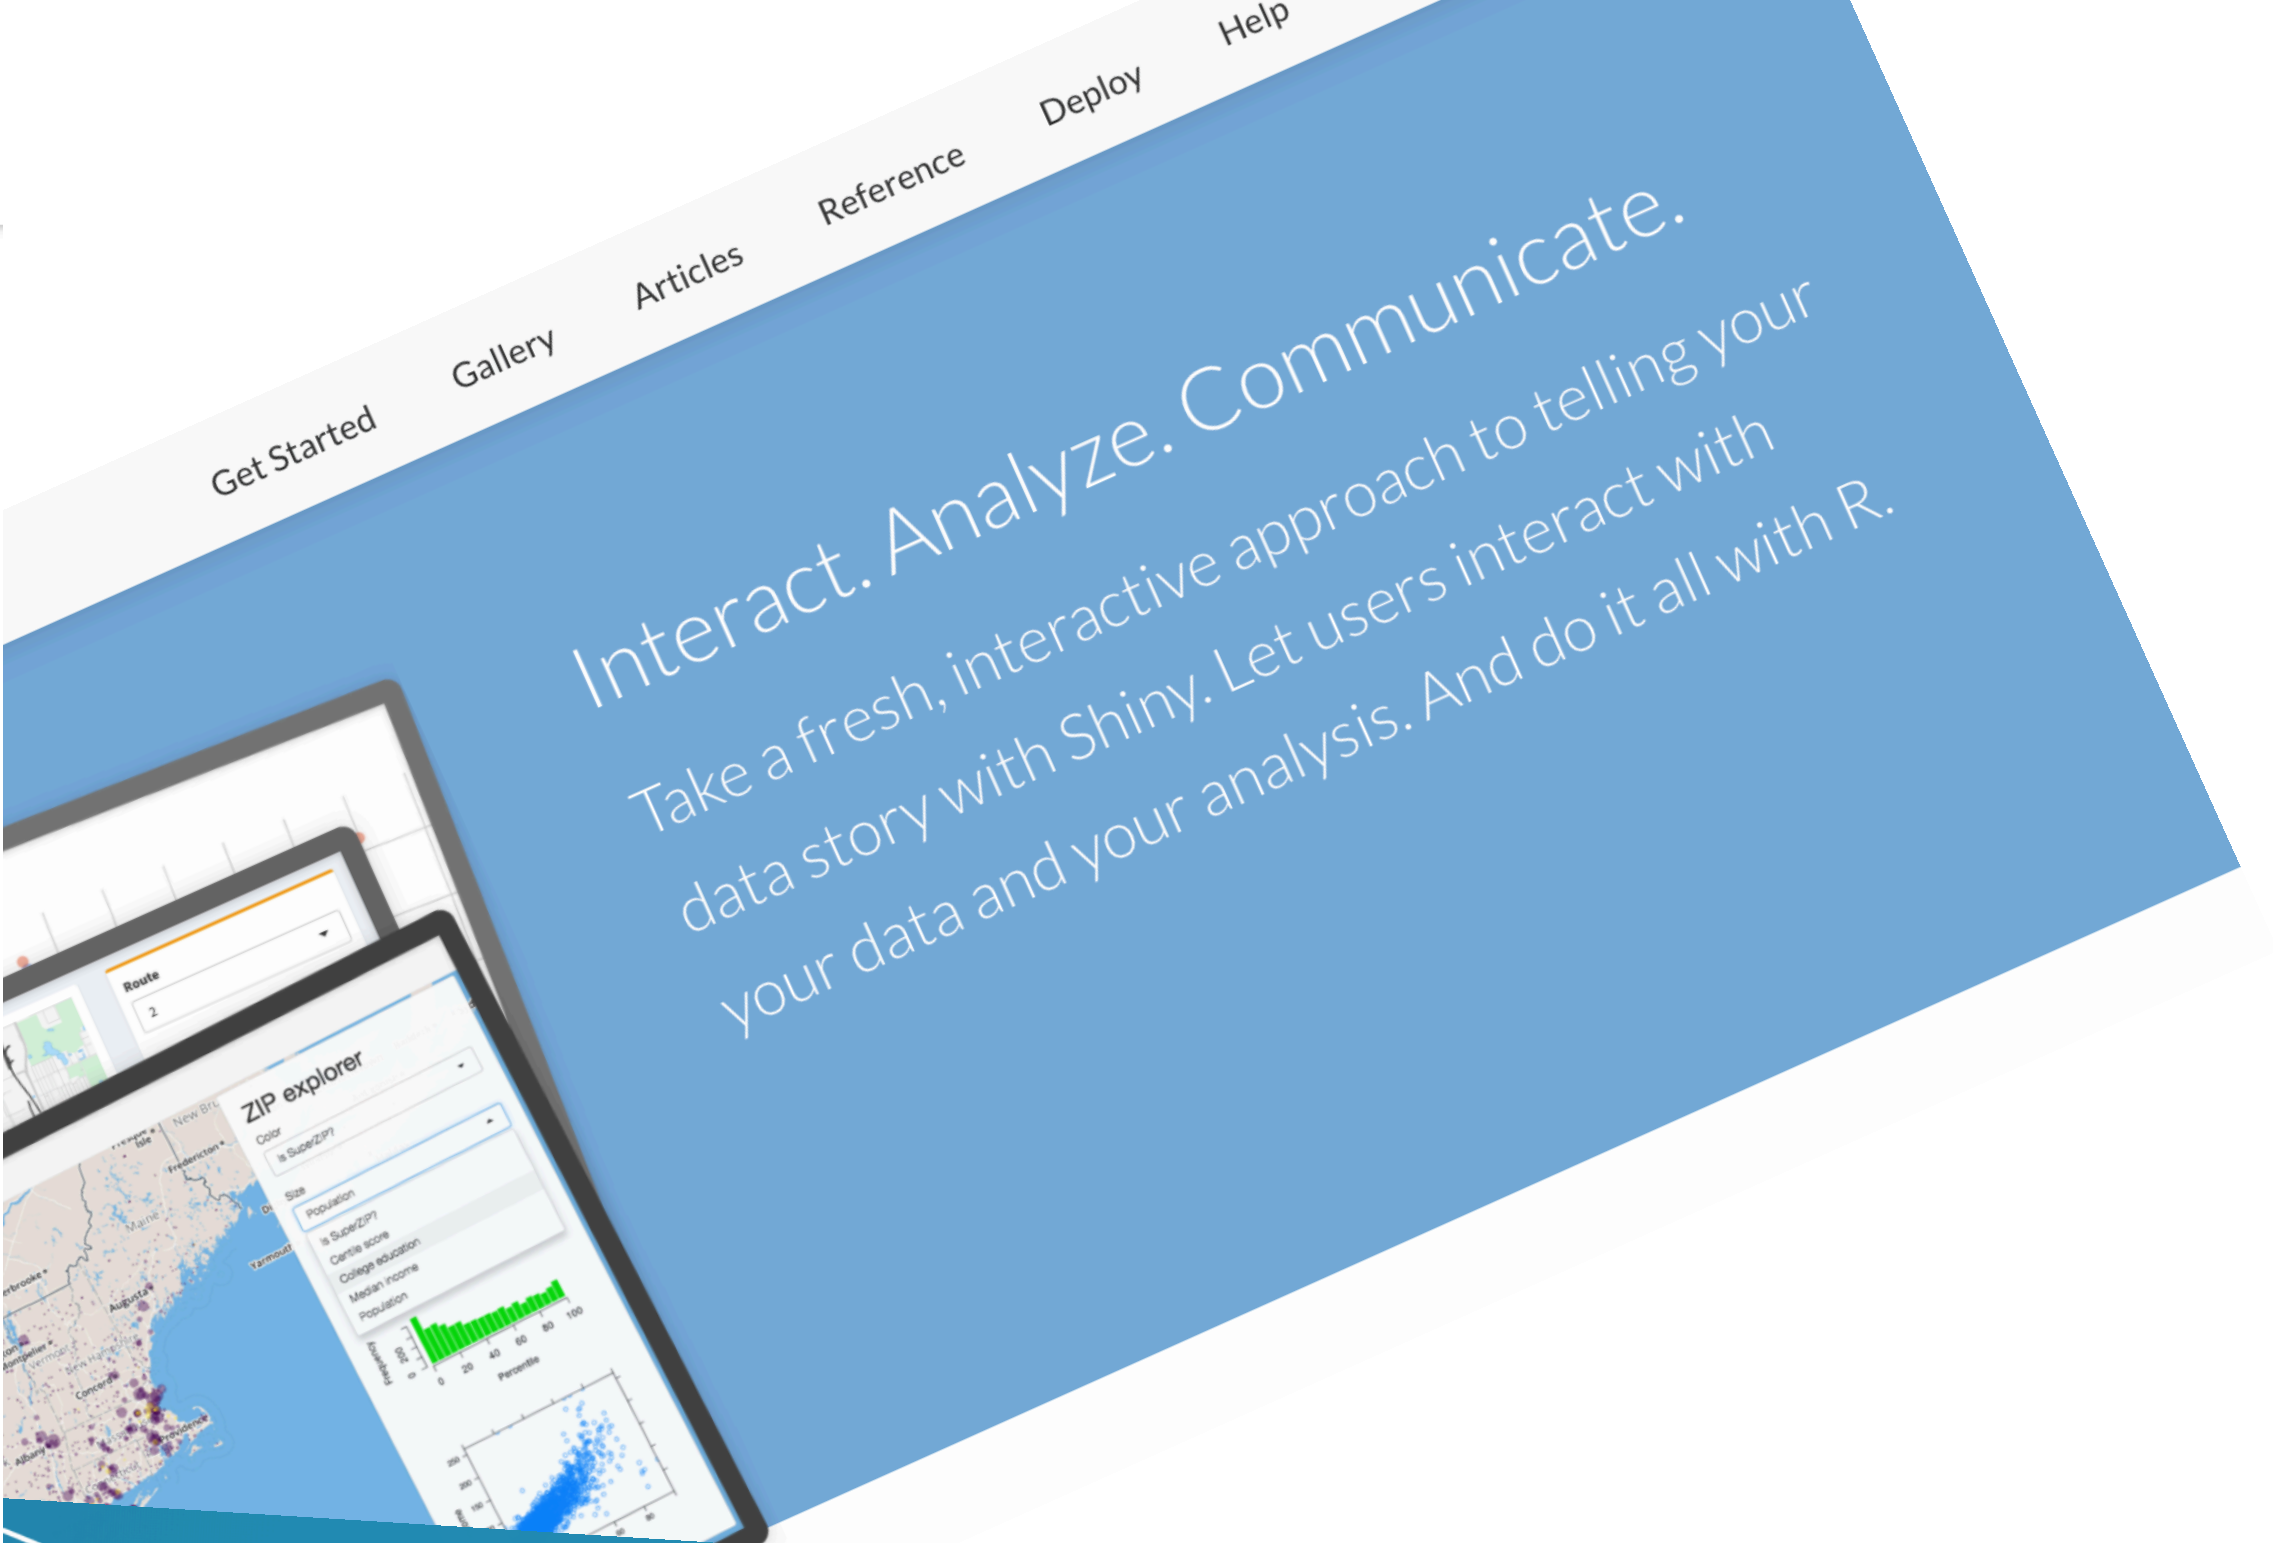

**Where to go next  
after this workshop?**

	<b>rstudio::conf 2018</b> This category is for anything and everything related to rstudio::conf.	7 / week 4 unread 2 new
	<b>tidyverse</b> This category is for anything and everything about the tidyverse.	15 / week 6 new
	<b>RStudio IDE</b> This category is for discussing the RStudio IDE, both desktop and server versions.	21 / week 1 unread 7 new
	<b>Teaching</b> For discussions about teaching.	3 / week 4 unread 1 new
	<b>shiny</b> Please ask your questions about shiny here.	27 / week 3 unread 12 new
	<b>R Markdown</b> Please ask your questions about R Markdown here.	8 / week 1 unread 2 new
